## PRAYER

Dear Heavenly Father

We praise you that you are a missionary God.

We thank you that you are a sending God. You sent the Son and you sent the Spirit & you send us in his power and we praise you for that.

Lord help us to have courage to “go.” As we go, may we know that you are with us and desire to work through us.

Help us to be proclaimers of truth, demonstrators of your power & doers of good works motivated by love and may your life in us, draw people to you.

Help us to stand firm in the faithfulness of Christ, help us to live holy lives that draw questions to which you are the answer.

May your kingdom come & your will be done.

We pray all these things in the Mighty Name of Jesus our Lord and King.
