

PRAYER

Dear Lord,

We dare to commit ourselves to take our place in your mission.
Not because it is our duty,
though it is.

Not because it will bring eternal life to many,
though it will.

Not because it will improve the quality of life of the poor,
though it will.

Not because it will improve stability in the world's institutions,
though it will.

Not because it will improve environmental stewardship,
though it will.

Not because we will be rewarded,
though we will.

We share you with the nations because Jesus is worthy to receive the honour, glory and praise.

Amen
